

Abington Vale Pavilion Preschool

(Keeping in touch)

pavilion@avps.org.uk

Mrs Higgs

It feels like ages since I last saw you all, I hope you are all staying happy and keeping safe! Since we last saw each other at preschool, I have spent lots of time in my garden, there is a lovely little spot at the end of my garden where I like to drink a cup of coffee in peace and read a book. My dogs (Max and Ruby) have been having very long walks in the sunshine and I have played lots of games with my children. The children and I have decorated our window with rainbows and now a sunshine has been added too. I have

loved looking at your rainbow pictures and have been spotting them in other people's windows on my daily walks. I hope you have all enjoyed the videos the grown-ups have put on

Tapestry, finding activities for you to do at home has kept me busy too!

Mrs Young

Hello lovely little people I hope you are all ok and still smiling. I'm sure you're all enjoying the nice sunny weather, playing in the garden. I have been super busy myself, decorating, sorting out cupboards and making a Peter Rabbit quilt. Staying in contact with my family via zoom and taking turns to organise family quizzes. I have loved looking at your work on tapestry especially all of your rainbows, my family and I made a giant rainbow and stuck in our window. I miss you all and look forward to seeing you all soon.

Mrs Sanderson

It seems such a long time since I have been at preschool, whilst I have been off I have been keeping active by exercising with Joe Wicks, going for walks with my children, looking for people's pictures in their windows for the NHS or of rainbows, suns, Easter, animals and toy teddy bears. I have been doing lots of reading, which I really enjoy and listening to music, mostly britpop which is music from the 1990's! I have also been baking with my children making yummy cupcakes, flapjacks and chocolate cookies.

The staff have been trying to keep busy, taking care of their families and spending some time at school to care for the key worker and vulnerable children too. On Tapestry we have added our own videos to support your children's learning, including Storytime's, singing and even weekly phonics.

Miss Malin

While I have been at home, I have been varnishing the floor and tidying the garden. I've even helped my Dad and brothers to build a brick BBQ. I have been going on lots of dog walks with my puppy, Jessie. I have been doing lots of baking with my mum including baking a birthday cake for my dad and I have helped out around the house. I miss you all, stay safe and I hope to see you soon.

Miss King

Hope you're all okay and have been keeping busy. I have been doing some baking and made some rice crispy cakes. I've also been for walks round the park and have decorated my bedroom. Missing you all loads and can't wait to see what other things you get up to on Tapestry.

Letter and sounds have commenced again this week, with Ee as our focus. What items at home can you find that begin with the e sound?

W/C: 18.04.2020: Jj

A big thank you goes out to the McKeogh family who have been helping out with the chickens and built a fabulous cover for our sandpit.

Keep a look out for an upcoming video involving our preschool team and the school. The teachers have worked together to make an amazing video for you all; it's to the Queen song 'I want to break free' and will be shared on social media.

As you can see, the teachers have been busy, now let's take a look at some of the amazing things you have been doing at home:

Wow! Which friends can you spot? There has been some planting, creating, baking, number work, paddling pool fun, measuring, building, car play, reading and so much more. Thank you to the Mummy's and Daddy's for sharing the wonderful things you have been doing at home. Keep them coming.
