Our Value for the term is: Respect

We will respect each other and our differences. We develop esteem for or a sense of the worth or excellence of each person & we look to foster personal qualities and abilities. We teach each other to respect others for their knowledge/skills and abilities or because they have a privileged position & we acknowledge we all have strengths and weaknesses, others will be better in some areas.

Important Information

If your child has vomiting or diarrhoea please keep them at home for 24 hours from the last bout of Sickness and/or diarrhoea.

If your child is absent, it is your responsibility to call the school office to report this.

Please clearly state your child's first and last name, class and reason for absence.

Parking Around the School

Please be considerate about how and where you park when dropping off and collecting your child from school.

Please be observant of road markings and do not block residents or businesses driveways. Please do not park on the pavements as this blocks the public pathways and makes it difficult to get by.

If possible, please park away from the school and walk.

We've chosen Arbor to help us manage our school. Arbor is a simple, smart and cloud-based MIS (Management Information System),

which helps us work faster, smarter and more collaboratively as a school. The Arbor App and Parent Portal mean we can keep you informed about your child's life at school in a much more accessible way. Log into Arbor to see and update your child's information, get live updates and make payments or bookings on the go!

The Parent Portal works on Google Chrome (computer or laptop) and you can download the Arbor App from the App Store or Google Play Store on your phone (Android 5.0; iOS 10.0 and upwards).
