Our Value for the term is: Responsible

We will teach each other to be answerable or accountable, we look to take on responsibilities and we look to support each other to achieve them. We know that we are all responsible for each other, our school environment and the wider world around us. As a team we all play our part, we are all responsible.

We've chosen Arbor to help us manage our school. Arbor is a simple, smart and cloud-based MIS (Management Information System), which helps us work faster, smarter and more collaboratively as a school. The Arbor App and Parent Portal mean we can keep you informed about your child's life at school in a much more accessible way. Log into Arbor to see and update your child's information, get live updates and make payments or bookings on the go!

The Parent Portal works on Google Chrome (computer or laptop) and you can download the Arbor App from the App Store or Google Play Store on your phone (Android 5.0; iOS 10.0 and upwards).
